## 5. DEĞERLENDİRME / EVALUATION

### 5.1. PROGRAM ÇIKTILARI ÖLÇÜM SONUÇLARININ DEĞERLENDİRİLMESİ / EVALUATION OF PROGRAM OUTCOMES MEASUREMENT RESULTS

In the 2022-2023 academic year spring semester, the departmental course MSC 274 and the non-departmental course GE 251 were found to be "insufficient" as they fall below the determined competency levels for program outcomes. MSC 274 was not offered in the 2023-2024 academic year spring semester. This course will be offered in the spring semester of 2024-2025 academic year and will be monitored to upgrade its insufficient aspects. It has been observed that students' motivation to participate in cultural and intellectual campus activities for the GE 251 course has improved. This course reached the "sufficient" level in the fall semester of 2023-2024 academic year. However, it returned to the "insufficient" status in the spring semester of 2023-2024 academic year. In this case, the developments about this course will be continued to be followed.

In fall semester of 2022-2023 academic year, the only course that falls below the determined competency level for program outcomes and labelled as "insufficient" was ENG 102. The significant point here is that the success rate of the ENG 101 course, which was offered in the same semester, was very high. In the following spring semester of the 2023-2024 academic year, a very high success rate was again achieved in the ENG. Nevertheless, the difference in success levels between ENG 101 and its continuation ENG 102 should be monitored.

The departmental course MSC 122, was found to be "insufficient" in spring semester of the 2023-2024 academic year. How to improve students' interest and motivation for this course will be discussed.

## 5.2. EĞİTİM AMAÇLARININ DEĞERLENDİRİLMESİ / EVALUATION OF EDUCATIONAL OBJECTIVES

Due to the suggestions of the advisors of our music department, MSC 274 was offered as an elective course in the spring semester of the 2023-2024 academic year. 11 students enrolled and successfully passed this course. MSC 274 was coordinated by Assistant Prof. Oliver Jia and the different topics of the course was lectured by himself, Prof. Kağan Korad, Assoc. Prof. Onur Türkmen, Assoc. Prof. Tahsin Tolga Yayalar, Assistant Prof. Jennifer Leigh Tipton, and Assistant Prof. Onur Yıldırım. The main objective of the course is to introduce the basic career planning skills to our students. The instructors worked with our students in their areas of expertise, such as sound recording techniques, concert program preparation and budget management.

Efforts to develop communication with equivalent institutions in Turkey are continued to be made mainly by organizing the Turkey Guitar Meeting and participating in the "Sesin Yolculuğu" composers Meeting. We aim to involve our other departments with similar initiatives.
